UNIVERSITAS NEGERI YOGYAKARTA

International Undergraduate Program

2026
2027

DESCRIPTION

The International Undergraduate Program (IUP) is a new flagship program of Universitas Negeri Yogyakarta (UNY) designed to prepare students to become globally competent graduates through an international learning environment, English-medium instruction, and international academic exposure. We are bolstering our vision "To be a world-class teacher education university that is sustainably excellent, creative, and innovative."

ELIGIBLE APPLICANTS

1. Applicants must be senior high school graduates from Indonesia or overseas with graduation year of 2024/2025/2026 and maximum age of 23 years.
2. Applicants must submit all required documents in English or Indonesian.
3. Applicants must meet all requirements to be considered for full offer.

BENEFITS

Students will gain global learning experiences through the following international exposure activities:

- Student Exchange Program
- Short Course / Summer Program
- Visiting Lecturer / Guest Lecturer
- Conference / Seminar
- Internship
- Study Visit
- International Science Expo
- Publication Internship
- Research Collaboration
